Job Description

Type: Full Time Job

Mills Entertainment is seeking a dynamic professional to participate in the execution of one of our live tours as a Technical Director/ Audio Engineer

Application date February 16 - March 15 - subject to change

Mills Entertainment is the industry leader in branded and alternative live entertainment. We collaborate with top artists and content partners to produce and promote engagements at theaters, casinos, and colleges throughout the United States and internationally. The work we do is exciting, challenging, and enjoyable. We are growing and are seeking exceptional applicants with a passion for the live entertainment industry and a desire to join a winning team. This position operates in a high-performance environment and requires a confident, competent, and assertive individual. Applicants must possess a clean driving record.

Key duties for this position may include:

- Oversee the tour and venue crew during the load-in and load-out of all technical elements
- Lead the advance process for each venue
- Manage the setup of audio equipment for a 4 piece band plus vocals
- Audio playback and band mixing during performance
- Work with the team to coordinate the transport of production elements from venue to venue
- Participate in the transport/driving of the set, as necessary
- Compensation is \$850.00/week plus per diem and single-occupancy hotel.
